## Lights On For Hoppers Crossing Soccer Club!

The long awaited lights at the Grange Reserve have now been switched on! Great news for Hoppers Crossing Soccer Club who are now being able to both train and play at night!

Delivered in partnership with the Wyndham City Council, this project was made possible by a \$300,000 investment from our Government's Local Sport Grants and builds on previously delivered projects at the Grange Reserve.

It was a fantastic day getting out to see the new lights and catch up with the HCSC crew - I look forward to seeing this wonderful club expand as they continue to keep soccer fans fit and healthy, whilst having fun.

The Grange Reserve Projects now completed included:

### 2019-20 Local Sports Grant

✓ Pitch 1 Sports Field Lighting - \$300,000

### 2018-19 Community Sports Infrastructure Fund

✓ Equal Access Change Rooms - \$100,000

### 2018 World Game Facilities Fund

✓ Leveling the Pitch for Female Access - \$250,000

Together these fantastic initiatives allow more teams, from junior girls to senior women, to keep active and get involved in the sport they love.

## Building The Education State

### Starting With Breakfast

Breakfast is the most important meal of the day. And our Government's School Breakfast Clubs Program is continuing to grow - serving over 15 million meals State-wide so far!

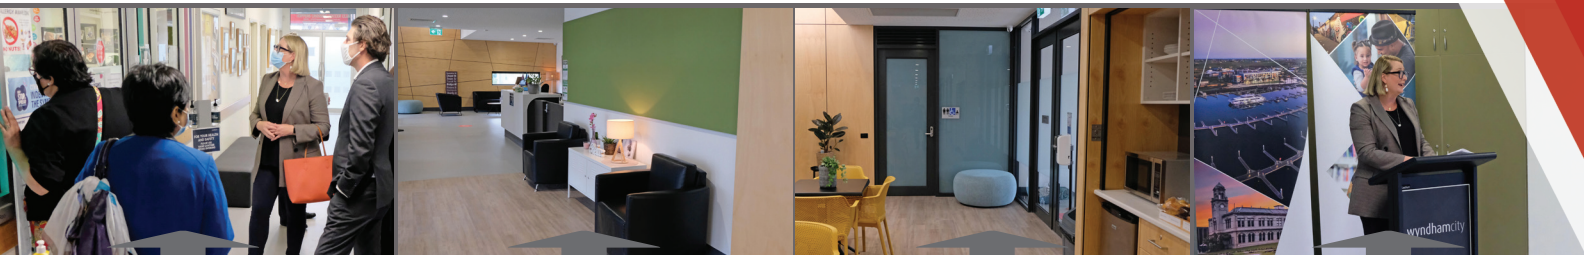

For kids, it's the difference between a productive day at school or a hungry tummy. It's made a massive impact on students and schools in Wyndham with Breakfast Club availability now rolled out to more schools than ever before! On top of this, the program has now expanded to include lunch. Because our kids deserve the best start to their day.

# Growing Suburbs Fund

Since 2015, we have invested \$27,575,850 into Wyndham through our Growing Suburbs Fund - delivering in partnership 20 community infrastructure projects critical to our growing community including:
